## WHOLE CHILD APPROACH

Yunasa, the Lakota word for "balance," is a week-long summer camp for gifted youth between the ages of 10 and 15. IEA's pioneering Yunasa summer camps unite gifted kids with experts in the social and emotional development of highly able youth to explore and grow intellectually, spiritually, emotionally, socially and physically.

Yunasa is geared toward the uniqueness of gifted children while having all the enjoyment of a sleep away camp.

Campers learn techniques for integrating the intellectual, emotional, social, spiritual and physical aspects of their lives through small group workshops led by Yunasa's esteemed faculty.
